

Contour™ Deluxe Bath Chair

BATHING

ACCESSORIES

Rolling Shower Base

11" Extension Legs

15" Extension Legs

Head Support

Lateral Support

Positioning Belt

Designed as an alternative to our stainless steel bathing products, the Contour™ Deluxe Chair with a combination of ComfortMesh™ and Medical Grade PVC base offers a comfortable seating environment with an extremely lightweight but stable foundation. The Contour Deluxe features added functionality, similar to tilt-in-space, that allows the seat and chair to adjust together.

AVAILABLE COLORS

Beach Bubble Blue

Lionfish Lavender

Folds flat for convenient storage

BENEFITS

Adjustable Support

FEATURES

- Seat and back sections adjust together
- Tilt angles: 30°, 50°, 70°
- Large has two rear adjustment bars for additional support

Comfortable Design

- ComfortMesh cover designed for sensitive skin

Optional Accessories

- Medical Grade PVC base available in two sizes that increase chair height by either 11" or 15"
- Foam head and lateral support can be added to the chair to provide additional comfort and positioning support for the head.
