

## #9708 Soft Comfy Cap

A soft, lightweight helmet made of compression molded foam. The stylish head hugging design offers a uniquely comfortable fit. The Soft Comfy Cap allows for maximum ventilation and retains limited body heat.

Easy to clean with soap and water, towel dry.

Available in (3) sizes, based on head circumference at eyebrow level.

Small(21"-21.5")

Med (22"-22.5")

Large(23"-23.5")

Color: Silver Gray, with Chin Strap.  
Weight: 3 oz

## #9709 Hard Comfy Cap

A lightweight helmet made with a compression molded inner foam liner, attached to a hard plastic exterior. This helmet offers the same comfortable fit as the Soft model. The Hard Comfy Cap is extremely well ventilated, retaining limited body heat.

Easy to clean with soap and water, towel dry.

Available in (3) sizes, based on head circumference at eyebrow level.

Small(21"-21.5")

Med (22"-22.5")

Large(23"-23.5")

Color: Silver Gray Liner with a Cream Colored Hard Shell Exterior, with Chin Strap.  
Weight: 11.5 oz
