HIGH PERFORMANCE STROLLERS

Wind & Rain Canopy ***Instructions***

Wind & Rain Canopy Installation

To avoid cracking do not store or use in cold temperature (below 0° Fahrenheit or 32° Celsius)

This canopy works only on 2004/05 Single models

STEP 1

Sun canopy must be in the extended position. Unfold the Wind & Rain Canopy and position it over the top of the sun canopy. The black fabric should be toward the bottom by the footplate.

STEP 2

Pull the black fabric down over the footplate of the stroller. Wrap the Velcro Straps under the footplate and around jogger.

STEP 3

Tuck the Wind & Rain Canopy back flap underneath the Jogger handle.

STEP 4

Secure the Wind & Rain Canopy's back flap to the side. Repeat the same step to the other side.
