# Defender Reha US

The Special Needs 2-in-1 CarSeat Solution  
Helping Families Enjoy Safe Travelling

Thomashilfen & **harmony** are two family owned companies passionate about providing safe and comfortable products. We are committed to developing and delivering products that help families enjoy safely travelling together.

## Let us **move** you!

“The Defender Reha allows children with special needs 360° of impact protection. The head, trunk and thighs supports, combined with our unique accessories, offer many positioning options. The seat allows for growth while remaining narrow enough for a second car seat as well as another child to fit in the back seat.”

### Positioning-options INCLUSIVE

Cup/snack holder swivels and can easily be installed on either armrest

Smooth up-front harness adjuster

**Lateral trunk supports** for an upright, stable sitting position

Ultra plush seat pad made with durable premium fabrics and extra foam for maximum comfort is removable for machine washing

9-position, 1-hand height adjustable headrest

**Head support** holds the child's head safely in place

Deep, supportive headrest, backrest and seat base for 360° impact protection

Chest clip and soft harness covers included

**Lateral side supports** are removable to adjust seat width for plenty of room for the child to grow with the seat

The no-threaded 5-point harness provides additional support in Booster Mode for children weighing 30 to 110 lbs. Small crotch pad included.
