We put the value in play!

Introducing the

JennSwing® and the JennSwing® II: The Cubby...

now from SportsPlay Equipment, Inc.

The Original JennSwing® ADA swing seat and its smaller version – the JennSwing® II: The Cubby ADA swing seat are now part of the SportsPlay Equipment family of products. SportsPlay has acquired these products from the inventor and former owner, Deanna Johnson. The JennSwing and the Cubby complement the full line of high-quality, high-value products from SportsPlay – especially SportsPlay's handicap-accessible wheelchair platform swing.

- The larger JennSwing seat will accommodate children up to 125 lbs. and is 14" wide and 11" deep, with a seat back length of 24". Knee to foot length is 14" and overall length is 45".
- The Cubby ADA swing seat is for ages 6 – 24 months, and is for babies and children up to 60 lbs. Dimensions are approximately 9" wide and 8" deep. The seat back is 14" high, with a knee to foot length of approximately 14". Overall length is 36".
- Both patented rotational molded plastic seats are designed with a partially-reclined, body-embracing design, complete with an adjustable safety harness.
- Leg and arm rests provide added support and comfort to users.
- Both of these ADA swing seats are available in five lively, fun colors: ocean blue, jungle green, fire engine red, banana yellow, and bubble gum pink.
- JennSwing® and Cubby® seats come complete with assembled safety harness and pre-assembled chain/installation kit.
- Seats easily attach to your existing swingset, or they can be purchased with a separate SportsPlay swing frame. Ask SportsPlay Customer Service for more details: 1-800-727-8180.
