

A strong partnership:

**RECARO** & Thomashilfen

# RECARO **Monza Reha**

... the best possible supply for bigger children

**ECE  
group**  
**II - III**

tested for up to  
**50 kg**  
**110.2 lb**  
body weight

**Headrest:**

optimum neck support due to adjustable air cushions in the headrest, elevenfold height adjustment using a size scale

**Seatfix Reha model:**

the integrated Isofix arms can be fixed to the Isofix attachment points of the vehicle

**Ergonomics and comfort:**

excellent seating comfort due to ventilated foam which is used in the automotive industry, unique passive RECARO Air Circulation System for an optimum air circulation

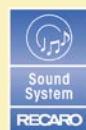

**Extra impact safety:**  
fixed side wings provide for optimum protection on a side collision in the hip area, additional protection in the shoulder and chest area by energy absorbent elements

**High-quality cover materials:**  
from innovative microfibre; all covers are removable and can be machine-washed at 30° C (86° F)

**Especially lightweight:**  
easy and quick transport due to the low weight of the seat

suitable for 15 - 50 kg / 33.1 - 110.2 lb
